Welcoming Our Families to the 2026-27 Academic Year

Dear Parents and Guardians,

It is with great enthusiasm and a profound sense of responsibility that I welcome you all to the commencement of the **2026-27 Academic Session**. Whether you are returning to our school family or joining us for the first time, we are honored that you have entrusted us with your child's educational journey.

The start of a new session is a milestone—a moment to reflect on our achievements and set ambitious new goals. Our mission remains centered on creating a nurturing environment where every student feels empowered to explore their potential. This year, we are particularly focused on deepening our commitment to **activity-based learning** and the holistic development of our youngest learners through robust **Early Childhood Care and Education (ECCE)** frameworks. We believe that education is not merely the delivery of a curriculum, but the sparking of a lifelong curiosity.

To achieve this, our faculty has spent the preceding weeks meticulously planning a balanced schedule of academic rigor and co-curricular enrichment. From upgraded classroom interactions to vibrant school events, our aim is to ensure that every day spent on campus contributes to your child's cognitive, emotional, and social growth.

Our Partnership with You

Education is a collaborative endeavor. The bridge between home and school is the most critical factor in a child's success. We encourage you to remain active participants in our school community. Whether through attending Parent-Teacher Meetings (PTMs), engaging with school circulars, or supporting our various campus initiatives, your involvement provides the foundation of stability our students need to thrive.

A Look Ahead

As we move forward into this session, we ask for your continued cooperation in maintaining our school's standards of discipline and punctuality. Clear communication will be our priority; we are committed to keeping you informed of your child's progress and our institutional milestones through regular updates and official correspondence.

In closing, I want to express my gratitude for your unwavering support. Let us work together to make the 2026-27 session a landmark year of growth, innovation, and joy for our students.

I look forward to a productive year ahead and to seeing the wonderful things our students will achieve.

Warm regards,

(Mrs Jonali T. Sarmah)

Principal
