White Colour Day Celebration

Nature always wears the colors of spirit.

White is associated with light, goodness, innocence, purity, and new beginnings.

Dear Parents,

To introduce the wonderful world of white to our tiny toddlers, our school is celebrating '**White Colour Day**' for Pre-primary students on **Friday, August 2nd, 2024**. The day will be filled with fun and engaging activities to help children learn about the color white, its significance, and develop their fine motor skills.

Please send the required materials listed below :
